When is the hound crated?

- 8 Hour Work Day

How does the hound handle being crated?

Crates well especially with a treat or frozen peanut butter kong.

What does the hound enjoy?

Naps, walks, toys

Does the hound have any fears?

Being alone-she was crated alone once while I brought my personal pets to the vet. She was quite vocal at first but I covered the crate with a blanket and she quieted down.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Outgoing, she enjoys greeting new people at the door and is one of the first hounds to interact at meet and greets

How does the hound handle new situations?

Well, will look to other hounds and human pack leader for direction.

What type of food are you currently using?

Diamond Naturals Chicken & Rice All Life Stage
