Yes

Good With Young Children

Yes

Comments (Young Children)

He has had a couple of interactions with children on walks and is very happy to go up to them and let them pet him.

Turn Out Routine

Justin goes out first thing in the morning. He goes out again before I leave for work. He is let out when I get home after an 8 hour work day. We sometimes go for a walk after dinner but if we do not then he is let out after dinner. He is let out one more time before we go to bed.

Potty On Lead

Yes

Garbage

He has not had a chance to investigate the trash

Stairs

He has only done a couple of steps. He has not had a chance to do full flights of stairs yet

Floors

He does not like any slippery/hard floors. He prefers carpet or lots of rugs to keep him from slipping on the hard floors.

Counters

He is tall enough to reach things on counters but has not attempted to take anything.

When is the hound crated?

- 8 Hour Work Day

How does the hound handle being crated?

Justin does not like the crate. He has gotten out of one crate and bent the wire on another. He will either need to be muzzled when crated or not crated at all. We have been working on him being left out of the crate while I am gone and has been doing well. We have not done a full work day yet but he has been good left out of the crate for 4 hours.

What does the hound enjoy?

Justin loves people. Justin also enjoys walks, treats, food, and sleeping.

Does the hound have any fears?

Justin is afraid to walk on hardwood and linoleum floors. He also is a little hesitant when put in new situations.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Justin is not very confident but loves any type of attention from just about anybody.

How does the hound handle new situations?

Justin is hesitant in new situations and looks to people and other dogs to figure out whether or not he needs to be stressed or calm in the new situation.
