Turn Out Routine

6:15AM- First wake up, 6:20- after breakfast, 8:30- before the work day, 4:00- after the work day, 5:35- after dinner, 9:00- before bed, Several times between 5:35 and 9:00 she goes out in the yard to play.

Potty On Lead

Yes

Garbage

She needs reminders to leave the bathroom garbage alone, she gets curious if she walks by it.

Stairs

Still very anxious about a full flight of stairs. She goes up and down three steps fine.

Floors

She does well on all floor types.

Counters

She sniffs, but never jumps on them or takes anything off of them.

When is the hound crated?

- Both

How does the hound handle being crated?

She does excellent being crated. Even on night one she slept without a peep in her crate. She happily goes in on her own when you put a small treat in there.

What does the hound enjoy?

She loves anything that squeaks, stuffies, and rope toys. She also enjoys walks and nylabones. She loves people and wants to be in the same room as you. She is also very food driven.

Does the hound have any fears?

She gets anxious with the stairs and is a little nervous around the vacuum cleaner.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Irene is very happy and loving. She's outgoing with people, but also appreciates her naps.

How does the hound handle new situations?

She is happy to try new things when it comes to visiting new places and meeting new people. She she experiences something new she usually looks to the people in the room for guidance. Irene doesn't bark, hide, or get crazy in new situations. She's remained even tempered with everything she has been exposed to.

What type of food are you currently using?

Kirkland Signatures Lamb and Rice

Amount of AM feeding

2 cups

Amount of PM feeding

2 cups
