Garbage is not easily accessible but shows some interest

### **Stairs**

Pretty good even with long flights

### **Floors**

No problems with hard wood floors.

---

## Counters

Little interest but not allowed in kitchen.

## When is the hound crated?

- Both

## How does the hound handle being crated?

She might whine for a little bit at first and once you get home, but lays down and relaxes pretty quickly

## What does the hound enjoy?

Attention. Almost purely attention. Her favorite thing in the world is giving kisses.

## Does the hound have any fears?

She is a little apprehensive with very quick movements and the vacuum, but it's not really a fear.

## What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Genie is incredibly affection, outgoing, and confident.

## How does the hound handle new situations?

She handles new situations with ease. She is pretty confident and willing to try new things with very little hesitation.

## What type of food are you currently using?

Kirkland Lamb

---

**Amount of AM feeding**

1.5 cups

**Amount of PM feeding**

1.5 cups
