No

Understands "No"

No

Method of Correction

Clapping and saying her name will get her attention and a firm no

Small Dog Safe

Not Sure

Cat Safe

Correctable

Comments (Cat Safe)

She doesn't mind the cats but gives a little growl if they get too close to her crate while she's relaxing.

Good With Young Children

Not Sure

Turn Out Routine

Someone is always home so we do frequent potty breaks but I think she's good at holding it.

-Breakfast is around 630-7 so they potty before and again about an hour later.

-Noon-ish potty break.

-Dinner around 5p so potty break before and around an hour later.

-Last call around 11p.

Potty On Lead

Yes

Garbage

Leaves it alone

Stairs

Only has 2 steps to go inside or out.

Floors

Vinyl planks are slippery when excited

Counters

Stays away, pretty much stays put of the kitchen unless she wants to say hi

When is the hound crated?

- Bed Time

How does the hound handle being crated?

She's crated about 7-8hrs every night and when everyone gone but usually lays in there most of the day with the door open. She doesn't make a peep about being in there and seems to enjoy it.

What does the hound enjoy?

She loves pets and scratches and playing with her foster brothers outside

Does the hound have any fears?

No known or shown fears.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Thalia is very lovey and enjoys attention. She gets excited with anyone walks in the door and is ready for all the pets.

How does the hound handle new situations?

She's cautious but doesn't give up trying something new.

What type of food are you currently using?

4 Health from TSC Salmon and potato

Amount of AM feeding

~2 cups around 630-7a

Amount of PM feeding

~2 cups around 5
