How does the hound handle being crated?

Ethan is crated for meal time twice a day and anytime we leave the house. I work from home but he has been left in the crate from 1-6 hours with no issues.

What does the hound enjoy?

Ethan enjoy walks, carrying toys around, waking up in the morning and greeting you, lots of attention and pets. He also enjoys playing with his foster brother in the backyard.

Does the hound have any fears?

He isn't biggest fan of the vaccum but tolerates it. He also didn't love the shiny slippery floors at Pet Supplies Plus but got used to them by the end of his first meet and greet!
