Verbal corrections

**Small Dog Safe**

Tested Small dog safe- doesn't live with a small dog

**Cat Safe**

Tested Cat Safe - doesn't live with a cat

**Good With Young Children**

Not Sure

---

### **Turn Out Routine**

Upon waking up in the morning, Goes out after meals and before bedtime

### **Potty On Lead**

Yes

### **Garbage**

Garbage should be out of site

### **Stairs**

Does well on stairs

### **Floors**

Good on all types of flooring

### **Counters**

Curious of what's on the counters, food on the counter would cause counter surfing. Doing alot better on that

### **When is the hound crated?**

- Both

### **How does the hound handle being crated?**

I work 10.5 hr night shift. Times is crated during that time. Sometimes you will need to lead him in there upon leaving.

---

If crated while I am home sleeping, Times would prefer not to be in the crate. He can be pretty vocal that way. I find it easier to leave him out of the crate when its bedtime

**What does the hound enjoy?**

Everything! Car rides, meeting new people, toys, treats

**Does the hound have any fears?**

I have not found anything that Times fears

**What type of temperament does the hound have? (Shy, outgoing, confident, etc.)**

He is happy boy. He always wants to see whats going on and where you are at.

**How does the hound handle new situations?**

He does great with new situations.

**What type of food are you currently using?**

Diamond natural beef and rice

**Amount of AM feeding**

2 cups

**Amount of PM feeding**

2 cups
