When is the hound crated?

- Bed Time

How does the hound handle being crated?

She does not make a peep at night or when we put her to bed. She will howl in the morning if we do not get her up right at 8am which is her usual routine.

What does the hound enjoy?

Tabbi loves toys, cuddles with humans and dogs, treats, walks, bully sticks, pumpkin and lots of pets and attention.

Does the hound have any fears?

Tabbi can be startled by loud noises but quickly goes back to what she was doing.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Outgoing but a bit skittish with loud noises

How does the hound handle new situations?

Well. Upon arrival at our house she emptied both toy baskets and explored the house.
