Shows some interest but is not allowed in the kitchen

When is the hound crated?

- Both

How does the hound handle being crated?

She is completely fine in the crate. Sometimes she will whine in the morning when she thinks it's food time, but she sleeps well in it and is fine when we leave.

What does the hound enjoy?

Attention! She also likes to cuddle and to be near her humans.

Does the hound have any fears?

She is a little apprehensive with fast movements. Otherwise she's pretty confident.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Confident, outgoing, and friendly.

How does the hound handle new situations?

She is relatively confident in new situations. She might be a little cautious, but not fearful.

What type of food are you currently using?

Purina Pro Plan Lamb and Rice
