When is the hound crated?

- Both

How does the hound handle being crated?

She is perfect in the crate.

What does the hound enjoy?

Toys. Affection but on her own schedule. A good nap and watching the cats.

Does the hound have any fears?

She's a little apprehensive of new settings at first and gets a bit startled when you move quickly towards her. She will get over it pretty quickly though and warms up fast.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Lue is a bit shy at first and a bit more reserved. She opens up over time, but is definitely even-keeled.

How does the hound handle new situations?

She takes a little bit to warm up and get used to what's going on around her, but she starts being more open pretty quickly.

What type of food are you currently using?

Purina Pro Plan Lamb and Rice
