When is the hound crated?

- Both During The Work Day and At Bed Time

How does the hound handle being crated?

Player has done greyt being kenneled since he has been in my home. Not a peep out of him. How he would react at your home...I do not know.

What does the hound enjoy?

Player love toys, playing outside with the other greys, loves human attention

Does the hound have any fears?

I have not seen anything that he has been afraid of.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Player is a confident out going hound. Very inquisitive and wants to be in the action.

How does the hound handle new situations?

Very inquisitive...wants to see whats going on.

What type of food are you currently using?

Diamond naturals beef and rice

Amount of AM feeding

2 cups

Amount of PM feeding

2 cups
