When is the hound crated?

- Both
-

How does the hound handle being crated?

Venom does wonderful in his crate. He has been very quiet crated. He patiently waits to be let out for the day

What does the hound enjoy?

Venom loves toys, benebones. He loves flinging his stuffies in the air and tries to catch them. Very fun to watch.

Does the hound have any fears?

Have not witnessed any issues with fear over noises or objects

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

I have had Venom for about a couple weeks. He is a very curious boy. He loves to explore.

How does the hound handle new situations?

Venom has been good with new situations. He will be making his first public outing soon soon.
Watch for meet/greet notices soon
