When is the hound crated?

Both During The Work Day and At Bed Time

How does the hound handle being crated?

Gamer is fine in his crate. He may cry a little bit around food time, but has been good for us most of the time.

What does the hound enjoy?

Attention! He loves getting pets and being near you. He also loves toys, but attention from his humans is his favorite.

Does the hound have any fears?

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)
Gamer is confident, friendly, and sweet.
How does the hound handle new situations?
He is outgoing and handles new situations with ease. He is fairly confident in new situations.
What type of food are you currently using?
Kirkland Lamb and Rice
Amount of AM feeding
2 cups
Amount of PM feeding
2 cups

Gamer is fairly confident but his former foster said he did not do well with storms and

fireworks.
