**Comments (Small Dog)**

He is not cat safe and is very excited with small creatures, which makes me question his ability to get along with small dogs.

#### **Cat Safe**

No

#### **Good With Young Children**

Not Sure

#### **Comments (Young Children)**

We are not around a lot of small children so I am not sure. He likes to jump on people so I don't know if he would be great around very small children.

#### **Turn Out Routine**

Goes out in the morning when we get up and one more time before I leave for work. He goes out when I come home from work, after dinner and one or two more times before bed.

#### **Potty On Lead**

Yes

#### **Garbage**

Will get into it if it is accessible to him

#### **Stairs**

Yes

### **Floors**

He is good on all surfaces.

### **Counters**

Yes he counter surfs on a regular basis. Do not keep any food on the counter for him to get.

### **When is the hound crated?**

- Both During The Work Day and At Bed Time

### **How does the hound handle being crated?**

He is reluctant to get in some times but once he is in he is very well behaved. He cries once in a while but not a lot or for long periods of time. He sleeps fine in the crate and only makes noise when it's time to go outside.

### **What does the hound enjoy?**

Everything. He loves toys, treats, walks, car rides, people and couches.

### **Does the hound have any fears?**

Not that I am aware of.

### **What type of temperament does the hound have? (Shy, outgoing, confident, etc.)**

He is very outgoing and very excitable.
