Diamond naturals beef and rice

Amount of AM feeding

2 cups

Amount of PM feeding

2 cups

Biography

Tuba has been with me for a month..

I am still getting to know him. He enjoys hanging with the other Greys in the house. He has settled into retirement really well.

He can be a bit pushy...not in an aggressive way...if you are not going fast enough to get his food...he might need to push/scoot you from behind...
