When is the hound crated?

- Both During The Work Day and At Bed Time

How does the hound handle being crated?

No issues even with longer times in the crate

What does the hound enjoy?

Toys! And a good bed.

Does the hound have any fears?

He can be timid at times, but it doesn't seem to be consistent. Overall he's fairly confident though.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Laidback with a small playful streak. 92% of the time, he is chill and laying around, the other 8% he is playing with toys. But he's confident most of the time as well.

How does the hound handle new situations?

He's pretty even-tempered in new situations.
