No issue

When is the hound crated?

- 8 Hour Work Day

How does the hound handle being crated?

She handles crating well. I would suggest a potty break right before you leave.

What does the hound enjoy?

Livie loves people and affection. She would prefer to be touched at all times. She also enjoys watching TV and will sit with you and watch whatever is on.

Does the hound have any fears?

I don't see any fears in Livie

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Happy and affectionate girl

How does the hound handle new situations?

She acts a little reserved when brought into new environments but quickly warms up

What type of food are you currently using?

Beneful chicken

Amount of AM feeding

2 cups

Amount of PM feeding

2 cups
