When is the hound crated?

- Not Crated At All

How does the hound handle being crated?

Dog is okay being crated but is trusted at night uncrated

What does the hound enjoy?

He has discovered his love for treats. He plays with toys. Love dinner time. He is extremely affectionate and his favorite thing is to just stand against you to be pet.

Does the hound have any fears?

He doesn't have any noticeable fears. He may startle if something falls or makes a loud sound.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

He can be a little shy for a few days but as he gets comfortable he starts getting really excited to see people come home, he plays with toys but loves attention. He is pretty quiet and unassuming but loves pets. He doesn't give kisses but loves getting them. He takes treats nicely and is an overall sweet dog.

How does the hound handle new situations?

He can be a little shy but generally adapts quickly.

What type of food are you currently using?

Purina one chicken and rice
