When is the hound crated?

- Bed Time

How does the hound handle being crated?

Does not want to go in and whines at first then will settle and go to sleep.

What does the hound enjoy?

He loves to smell things and track smells in the yard. Running around the yard, walks and squeaky toys. He loves toys that make noise. Loves belly rubs and giving kisses. He really wants to be your snuggle Buddy.

Does the hound have any fears?

Have not found any yet, slightly afraid of the vacuum but also curious after I was using it.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Very confident and outgoing, loves to get pets on the walk. Loves to be with people. Will entertain himself. He has an internal clock and lets you know dinner is at 5 pm on the dot.

How does the hound handle new situations?

He is very curious, loves to smell everything first and check it all out then will settle down.

What type of food are you currently using?
