When is the hound crated?

- 8 Hour Work Day

How does the hound handle being crated?

she is happy and quiet when crated, it's a "safe space" for her.

What does the hound enjoy?

she enjoys pets/hugs, being with her foster parents, playing with toys and playing in the yard.

Does the hound have any fears?

she is skittish in new environments and around sudden movement or noises.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

slightly shy but loves attention and is very affectionate when she gets to know you.

How does the hound handle new situations?

some anxiety in new situations, she does better if there's a second dog to show her the ropes.

What type of food are you currently using?

diamond natural beef and rice
