How does the hound handle being crated?

She is crated periodically throughout the day and if I am outside the home running errands. She does sleep on a bed on our bedroom floor.

Still working on enjoying the crate, whines for a bit, but settled quite quickly now.

What does the hound enjoy?

Fetching toys, she is good at bringing them back. Loves pets, and generally just loves being around people.

Does the hound have any fears?

Not very fearful. New things she can be but is very easily talked into engaging with the item and figuring out it's okay with encouragement

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Very outgoing and confident

How does the hound handle new situations?

Very well

What type of food are you currently using?

Wholesome salmon for sensitive stomach and skin
